“The day here at Oakgrove has been brilliant and Keith was the highlight of the day for all the year 11’s !! They were loving him; his energy, positivity and drive, and the constant re-affirmation of the bigger picture message was great. He also had a super manner and demeanour with the students, which he had to really use at the beginning, as they are a hard year group, who expect everything and he managed to break their mould! Good work Keith !”

"Hi Keith. Well...what a success! All the staff were extremely impressed at your presentation and the whole day and I know that many people are wanting you to come back in. Which is good. Many students were obviously inspired and the afternoon was a major success, thanks to your great start. Just to add to that, the Headteacher was driving home listening to Radio Lincoln and there was a phone-in asking people to rate how their day had been on a scale of 1-10. Amazingly a student rang in and said it was 10 out of 10 because they had just had their final assembly for school and it was amazing!!!! Never had that before. Even today, pupils are still talking about the whole day. I would just like to say once again Keith, thanks for your input it was certainly a winner and hopefully we'll meet again in 1-2 weeks."

Lee Garrett – Tuxford Secondary School – Lincs.

"Keith, this has been the most productive external session that we've ever had in this school, not only have students taken on board the learning, but they're actually doing it. It's also been a tremendous day for students to change their thinking and I'm looking forward to the next session with Y10s"

Doug Hough – PDC Co-ordinator – Kings School, Grantham, Lincs.

"You delivered what you promised"
